# CHERRY

We've created this popular variety with fresh, locally grown apples and red cherries. Ruby red with sparkling clarity and bright flavors, this sweet cider has a touch of carbonation for a festive sparkle.

## CRAFT CIDER TRADITION

Our small family farm in Washington State has been growing the best apples in the world for over 40 years. Generations have been raised under the shade of our family's orchard, big hands and little hands working together come harvest time. Young and old selling apples out of the back of our old pickup truck. The family dog running along rows of trees heavy with fruit. And now crisp, refreshing hard cider handcrafted in our historic apple packing shed using fresh-pressed local apples and cherries.
