GOLD  CIDER

orchard blend ORIGINAL

MADE FROM THE BEST APPLES IN THE WORLD
NO ARTIFICIAL COLORS OR FLAVORS | NON-GMO | FARM FRESH | FAMILY OWNED | NATURAL INGREDIENTS

Pale golden with sparkling clarity and bright flavors, this semi-sweet cider is made from 100% fresh pressed Washington apples. Subtle floral notes combine with a hint of vanilla bean and ripe apple, awakening memories of a fall day in the orchard.

Our small family farm in Washington State has been growing the best apples in the world for over 40 years. Generations have been raised under the shade of our family's orchard, big hands and little hands working together come harvest time. Young and old selling apples out of the back of our old pickup truck. The family dog running along rows of trees heavy with fruit. And now crisp, refreshing hard cider handcrafted in our historic apple packing shed using fresh-pressed local apples.
